4. G.O.Ms.No.106, HM&FW (I.1) Department, dated.05.09.2019.

-oOo-

ORDER:

The Director of Health & Family Welfare, AP, Vijayawada has stated that, at present the Government is operating 108 ambulance services in 439 segments (one ambulance in each segment) covering all 13 Districts in the State and decided to make available one ambulance at each Mandal, totaling 676 ambulances. Additionally, 10% of the ambulances on the total requirement are to be made available as backup ambulances i.e., 68 ambulances which are to be distributed across districts, and 29 ambulances are operational in urban areas, which are to be continued. Thus, a total number of 773 ambulances are required by taking into consideration area of operation, population and minimization of response time to less than 20 minutes.

2. In the reference 1st and 2nd read above, Government have issued orders to the Chief Executive Officer, Dr. YSR Aarogyasri Health Care Trust, A.P., Guntur to procure 432 new ambulances (108 Services) and new 676 (Mobile Medical Units 104 Services) through a financing option to be arranged by the vehicle Original Equipment Manufacturer (OEM) and the primary bidding parameter in the RFP shall be the lowest rate of interest to be offered by the financing agency arranged by the OEM, or the 'lowest monthly/quarterly installment' to be paid by the Government over a three (3) or five (5) years period. Procuring the vehicles through a financing option will ensure that vehicles are owned by the Government, and it will place a lower burden on the State exchequer in the immediate future. Buy back of the vehicles is to be also explored.

PTO

3. Further Government after examine the issue, hereby directed the Chief Executive Officer, Dr. YSR Aarogyasri Health Care Trust, A.P, Guntur to identify and engage multiple Service Providers for providing Emergency Response Services (108 services) and Mobile Medical Unit Services (104 services) at field level in a decentralized manner and also directed to identify and engage an agency to establish, operate and maintain Single Integrated Call Center for coordination and delivery of Emergency Response Services (108 services) and Mobile Medical Units (104 services) at field level in Andhra Pradesh for use and deliver emergency response services and healthcare services.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
